

M&G Security Product Bulletin

3" Diameter Secure Seal

Security is proud to introduce the latest in the Secure Seal line, the new 3" diameter. The versatile and easy to use Secure Seal special gas vent offering just got larger by going smaller. The new 3" offering is made of the same materials and has the same features as the 4" through 24" products.

- New diameter for both Secure Seal and Secure Seal Double Wall
- Made from Stainless Steel
- Certified to ULC-S636
- Available in standard lead time
